BASKET BALL AT ARCADIA LAST NIGHT-SCORE WAS 30 TO 33 IN FAVOR OF ARCADIA.

The game of basket ball at Arcalia last night between the five of that city and the White Stars of Lima. was a scrappy affair and according o the figures and claims of the other boys Lima was defeated by a score of 30 to 33 while the Lima players claim the victory by a score of 35 to 33. You pay your money and take our choice.

During the argument Harry Driver vas assaulted and his assailant was knocked down by Harry Carnes, one of the Lima rooters.

The management of the Arcadia xpressed great regret over the incident. He said the treatment of his eam in Lima had been so gentlemanly that he was heartily ashamed of the whole affair. He stated that he row would discourage basket ball a Arcadia for a long time to come.

Lima played the regular lineup ith the exception of Witmer, who ook Khump's place. The team renained in Findiay all night.

The Lima boys claim a shady deal by the Arcadia officials, and daim that the score was 35 to 33 in favor of Lina while Arcadia claims he victory, the score on their board eing 33 to 31 in favor of Arcadia. Miller Laudick, Lima's center gave a cueer version of the game and he did not know whether he was in a rance or not. He said that the game at one time stood 11 to 8 in favor of Lima. The game started after the asket made by the Lima boys and be "11 to 8" was marked very plainon the score sheet. He happend to glance at the score during the shuffle and to and behold the score tood 8 to 8. According to Mr. Laudick and the other members of his cam, Lima's score seemed to go backward from that time on. The re was kept for Arcadia by a small oy and on the Lima delegation the porting edippr of the Ilma News ept tab. However, the game stood, he whole affair ended in something less than a rough and tumble, which is also natural and no dance was given. Lima has the championship as they have won two games to Areadia's one, the game last night being in such a condition as to make it a toss on. The small crowd was very hibrious at times. MR. C. PUTMON-Cured of Consumption by Duffy's Pure Malt Whiskey.

"I was flat on my back in Cincinnati. It was after ten long, hard months on the road as advance agent for theatre companies. I had to be up early and late, exposed to all kinds of weather; often soaking wet and chilled to the bone. My system could stand it no longer. I caught a heavy cold and it settled on my lungs. Dectors dosed me as usual, but I was steadily going to a consump-An old actor friend recommended Duffy's Pure Malf Whiskey. I tried it. Felt better the first week. In two weeks doctor said he needn't call again, to keep on taking 'Duffy's ' and I'd soon be cured. And I am cured; strong, husky, never better in my life, and it took only four bottles. Have come through another season in perfect shape." C. Putnow, care Billboard Publishing

Duffy's Pure Malt Whiskey

Consumption seldom attacks until the system is run down and weakened by sickness, overwork, worry, exposure or inherited tendencies. The secret of the marvelous success of Duffy's Pure Mait Whiskey in curing and preventing lung troubles lies in the fact that it's the greatest strengthener and health builder known to medicine. It not only checks the ravages of the disease itself, but replaces the weakened, destroyed tissues; helps the stomach to more perfectly digest and assimilate food in order that more richer, and purer blood will come from it; and regulates and governs the heart's action, so that the circulation will be strong and powerful, carrying health and vigor to every organ and part of the human body. The idea that a consumptive's only chance for life is to send him to Colorado or California to fret himself to death was effectually emploded at the Medical Association's Convention, a few months ago at Atlantic City, where leading consumption specialists declared that the only successful place to treat lung troubles was right at home, where the disease originated, and that Duffy's Pure Malt Whiskey is the most effective means of fighting this awful sooning to the human race.

was right at home, where the disease originated, and that Duny's rure man winskey is the most encoure means or against ame awful scourge to the human race.

Duffy's Pure Malt Whiskey is absolutely pure and free from fusel oil—the only whiskey recognized by the Government as a medicine. It has been prescribed by doctors of all schools and sold by reliable druggists and grocers everywhere for over 50 years.
